

REMARKS

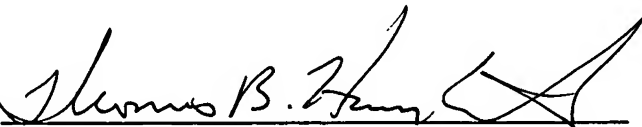

Applicants respectfully request further examination and reconsideration in view of the above amendment and the remarks set forth below. Prior to this amendment, Claims 1-76 were pending. The office action of June 8, 2005 set forth a restriction requirement and an election requirement.

In response to the restriction requirement within the office action mailed on June 8, 2005, the Applicants hereby elect Group I. Accordingly, the Applicants have withdrawn Claims 46-76. The Applicants expressly reserve the right to continue prosecution of the withdrawn Claims 46-76 in one or more Divisional Applications claiming priority of the above captioned patent application. After the above amendments to the claims, Claims 1-45 are now pending.

In response to the election of species required by the office action, the Applicant elects species A, species C, species G, species L and species O. The elected species are readable on Claims 1-8, 17-20, 25-26, 28-32, 38-40 and 45. The Applicants respectfully submit that there is no requirement that species not read upon by the elected species must be withdrawn by the Applicants. MPEP 809.02(a).

Respectfully submitted,
